HAVING purchased the entire outfit of the MT. VERNON SIGNAL, I desire to announce to the public that I shall endeavor to run strictly a first-class paper. I shall put forth my very best energies to build up our county socially, morally, intellectually and commercially. While the paper will continue to be Democratic, it will treat the Republicans with due consideration and fairness, and shall publish all doings of that party which we deem of interest to our people. We will add new type, new machinery sufficient to make a first-class office. We are glad to say that we have retained the valuable services of Mr. S. C. Franklin as manager of the mechanical department.

E. S. ALBRIGHT.

THERE are now, according to Secretary Hitchcock's statement, 991,519 pensioners, but that number will be greatly increased by the Spanish-American War.

SOME one has said that the next injunction by Toney will be to enjoin the Legislature from impeaching him, and that he will have the aid of Bradley's newly organized militia.

SENATOR DEBON has engaged winter quarters in Washington, but he will not be satisfied unless the bath room is connected with the slaughter house to enable him to bathe in warm, ruddy gore every morning.

FORTY Mormon elders have gathered at London and are now engaged in a big meeting. They hold their services at the Riley Hotel, but are making arrangements to erect a building for Mormon worship in that town.

THE Railroad Commissioners have just filed with Gov. Bradley their annual report. They fix the value of the Knoxville Division of the L. & N. at \$14,300 per mile and the K. C. at \$9,000. They also report that 109 persons have been killed by railroads in the last year.

HON. DAVID B. HENDERSON, of Iowa, was chosen Monday as speaker of the House of Representatives to succeed the Hon. Thomas B. Reed who resigned to go to New York to practice law. The Democrats chose "Slim Jim" Richardson, of Tennessee, the finest parliamentarian in the South to lead them on the floor.

THE Seventh congressional district election is so one-sided an affair that it is attracting but little public attention. Owens is acceptable to neither silver nor gold Democrats, and both white and colored Republicans regard him as an Uitlander. If the genuine Democratic vote can be got to the polls next Monday week Gayle will sweep the district with a majority of 10,000.

WHEN the name of Brigham H. Roberts, the newly elected Congressman from Utah was called in the House last Monday, he advanced to the Speakers stand to be sworn in. Then Congressman Taylor, of Ohio, entered a protest on the ground of Roberts' having three wives. Taylor, the Republican, spoke amidst breathless silence but with great calmness and deliberation. McRae, of Arkansas, protested from the Democratic side, saying the issue was one involving the sacredness and purity of the home whether it was the mansion or the log hut with stick chimney, which produced an outburst of applause.

Even the good Major McKinley hits the trusts a love-luck with a feather in his message to Congress and Mark Hanna winks the other eye. presidential campaign is now on.

HON. JUNE W. GAYLE, who was defeated in the State Convention at Louisville, for the nomination of Auditor, was selected at Frankfort as the successor of Ryan E. Settle, Notorious Bill Owens, of Scott county, was named on the same day by the Brown Democrats to oppose Mr. Gayle. Owen's nomination was endorsed by the Republicans in convention an hour later. He will run under the log cabin. Col. W. C. P. Breckinridge was tendered the nomination but refused it; and now comes out in his paper against Owens whom he says is not the man to purify politics, because he had always won by force and fraud.

THE gathering of so many men at Frankfort, transported there by the L. & N., free of charge, to witness the count is unfortunate to say the least of it. The fighting men of Eastern Kentucky were given tickets and ordered to come to the Capitol. They went pursuant to the call, but were neither lodged or fed after they arrived. So they were soon disgusted and returned home without the loss, either of life or limb. The Republican bravos, whether in militia costume or citizens clothes, openly declared their intention to seat Taylor by force of arms if need be, whether he got the certificate of election or not. We like the Republicans of this county. Many of them are good men and want peace, sweet peace. But we think that such proceedings bring disgrace upon the fair State of Kentucky. That the effect is bad, yea, very bad. Reason has fled to brutish beast, while brotherly love and Christian forbearance weep unknown. Cool off gentlemen, take a bath and put on your Sunday linen.

Land, Stock, Crop

A flock of 1,800 geese in one drove passed through Owingsville last week. They were bought at 42 1/2 cts. each.

J. D. Gay has purchased of Joe Chambers twenty head of 750 lb. cattle at \$26 per head.—Mt. Sterling Gazette.

With the competition of the new independent houses farmers will realize a better price for their new tobacco this year.

John Peggs sold D. G. Howell 100 bbls. corn, Albert Stoffer, 40 bbls and John Stoffer 40 bbls. \$2 in field.

From early October to late November wheat declined eight cts. per bushel, reaching the lowest prices of the crop. This depression is not local to any section of the country is not due to any one cause, but is world-wide.—American Agriculturist.

Bonta Bros., sold fifty head of 1000 lb. cattle last week to Clell men at 5 cts. a pound. Hardin Langford, of Nevada, sold a bunch of 950 lb. cattle last week to J. H. Vanarsdall, at \$4.50 per hundred pounds. He also bought a number of yearling at 4 cts. a pound. He says cattle are getting almost as scarce as hogs.—Harrodsburg Democrat.

Last week N. J. Fowler sold to Blair & Hoon 33 1,200 pound butcher steers at \$4.25. J. H. McIlvaine sold Monday to John T. Shanklin 6 light feeding steers at \$3.75. Robert T. Marshall last week sold to S. Weil, for delivery this week, 56 head of export steers, at \$5 and a premium of \$25 on the lot. Chas. A. King sold and delivered to the same party last week 18 steers averaging a little over 1,400 at \$5.—Flemingsburg Times-Democrat.

J. H. Albright has a dozen or more farms of his own within a 3 mile circuit of Brodhead, which he will sell or rent. Write him at Brodhead.

A SURE CURE FOR ROUP

TWENTY-FIVE YEARS' CONSTANT USE WITHOUT A FAILURE.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousand of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by Theo. Wesley, Mt. Vernon, Ky.

Danville Steam Laundry first class work. Represented in Mt. Vernon by D. S. Purdon, the Barber.

My son has been troubled for years with chronic diarrhoea. sometime ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25 cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited.—THOMAS C. BROWER, Glencoe, Ohio.
